BIOMETRIC REGISTRATION CHECKLIST

You are...

A FIRST-TIME REGISTRANT

You must be:

- a Filipino citizen
- at least 18 years old*
- a resident of the Philippines for at least one year
- a resident in the place where you would like to vote, at least six (6) months before the elections on May 9, 2016
- not otherwise disqualified by law

* Those who will be turning 18 on or before May 9, 2016, or whose required period of residence will be satisfied on or before said election date, may start filing their applications for registrations starting May 9, 2015 only.

A REGISTERED* VOTER WITHOUT BIOMETRIC DATA

*You must have not missed the last two regular elections.

Before joining the registration queue, be sure to bring the following:

ONE (1) VALID I.D.

The Comelec accepts the following:

- company ID, with signature of employer/authorized representative
- postal ID
- person with disability (PWD) discount ID
- senior citizen's ID
- driver's license
- NBI clearance
- passport
- SSS/GSIS ID
- Integrated Bar of the Philippines (IBP) ID
- license issued by the Professional Regulatory Commission (PRC)
- Certificate of Confirmation issued by the National Commission on Indigenous Peoples (NCIP) in case of members of ICCs or IPs

NOTES: The Comelec does not honor Community Tax Certificates (cedula) and police clearance as valid identification documents for registration.

SUPPORTING DOCUMENTS

(should any issue arise)

- Examples of which are:
- birth certificate (for age)
 - proof of billing (for address)

FOR FIRST-TIME REGISTRANTS ONLY:

- three copies of APPLICATION FORM*

* This may be provided at the local Comelec office, and it is also available for download at the Comelec website. You may fill it out beforehand to save time, but it must only be signed and thumbmarked before an election officer.

If you're a first-time registrant, submit / fill out the application form. The election officer will verify your identity before you proceed to BIOMETRICS.

If you're already a registered voter, you'll proceed with having your BIOMETRICS captured.

The biometric data will be taken with the Voter Registration Machine by an authorized operator:
